

Forrest Tindall

Frontend Engineer/Designer

Email Forrest@forresttindall.com | Portfolio www.forresttindall.dev | LinkedIn www.linkedin.com/in/forrest-tindall

Professional Summary

Highly motivated and certified Frontend Engineer/Designer with a strong background in web design and entrepreneurship. Proficient in HTML, CSS, JavaScript, React, Redux, UX/U, and web/graphic design. Proven problem-solver with a unique approach to reverse-engineering challenges. With 11 years of experience leading successful ventures, including a creative agency and a global e-commerce company, I bring a unique blend of technical expertise, leadership skills, and innovative thinking to the table. I'm excited to leverage my skills and experience to drive success as a Frontend Engineer and Designer.
